

# 2020 Employer Council of Champions Summit and Awards

---

## Employer Call to Action

### A Pledge to Act on Immigrant Inclusion in the Workplace.

*(Coming in April, 2020)*

- The Pledge is a public commitment by employers in Ottawa to promote and advance the values of diversity and immigrant inclusion within workplaces by working together across organizations and sectors.
- It is the premise of this Pledge that to effect systemic change, a bold vision is required by employer champions.
- The Pledge outlines a set of actions that organizations will take to enhance immigrant hiring, inclusion and belonging in the workplace.
- An immigrant inclusion Pledge is a step in a much longer process – this pledge is the next step in HIO's ongoing employer engagement activities.

All summit participants and other employers will receive by email more information about this Call to Action and how your organization can sign on.
